

The DCP-L5500DN monochrome laser all-in-one printer is ideal for offices and small workgroups that need a reliable printer with cost-efficient output and expandable paper capacity.

- Help lower your operating costs with a Brother Genuine high-yield replacement cartridge
- Advanced scanning capabilities to a variety of popular network and business cloud destinations^a help maximize workgroup productivity
- Color touchscreen display allows for easy menu navigation with the ability to create shortcuts to help simplify complex and frequently used tasks
- Triple layer security features help limit device and document access and help protect from network intrusion
- Scalable paper handling with optional trays for offices that require customized workflows or additional paper capacity
- Easily share your printer on your Ethernet network and mobile device[□]

DCP-L5500DN

At your side support. Online, call or live chat - free support for the life of your printer. At Brother, we want to ensure that your experience with us is exceptional. Visit us at brother-usa.com where you can download the latest product drivers and

software, view product manuals, learn how to get the most out of your product with how-to videos and find answers to frequently asked questions.

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth, www.brotherearth.com

- Based on one-sided printing. Change from default setting required.
- PostScript®3™ compatible.
- Additional purchase required
- Maximum capacity based on using 20 lb. paper.

 Maximum capacity based on using 20 lb. paper.

 PDF (up to ver. 1.7), JPEG, XPS and Secure PDF files (scan only)

 Requires SMTP/POP3 mail server support. Download from http://solutions.brother.com
- ** Windows only.

- Server 2003/2008/2012 network printing only.
 Requires an Internet connection and an account with desired service.
- Requires connection to a wireless network.

 Scan speed measured with all advanced features turned off using LTR size test documents at 200dpi.
 Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
- Approximately 30,000 pages based on 1 page per job and 50,000 pages based on 3 pages per job [letter/A4 simplex pages]. The number of pages may be affected due to a variety of factors including but not limited to media type and media size
