

## DELL 27 GAMING MONITOR | S2721DGF

27" QHD gaming monitor with stunning colors and vivid visuals. The new Dell 27 gaming monitor delivers swift and responsive gameplay thanks to the 165Hz refresh rate and a true 1ms gray to gray response time

**Rapid Response:** Fast IPS technology combined with a 165Hz refresh rate and an extremely rapid 1ms response time delivers buttery-smooth gameplay with minimal input lag.

**Undistorted gameplay:** NVIDIA® G-SYNC compatible Certification and AMD FreeSync™ Premium Pro technology add another layer of seamless gameplay by eliminating screen tearing and stuttering.

**Brilliant color:** With 98% DCI-P3 color coverage and 1.07b colors every gaming experience features vibrant colors and incredible depth.

**Incredible Details:** VESA DisplayHDR™ 400 provides greater color depth, remarkable clarity and high contrast for strikingly realistic images in stunning QHD resolution

**Bold new look:** The distinct and gaming-centric design offers both functional and aesthetic benefits for gamers, such as a 3-sided ultrathin bezel that creates expansive views, and uniquely-designed vents located in the back that enhance heat dispersal.

**More room for battle:** The newly designed tapered stand is sturdy and sleek, with a small footprint that brings you closer to the action.

**Game comfortably:** The height, tilt, swivel and pivot adjustability lets you game in comfort for extended periods.

**Customize every advantage:** The new joystick and shortcut buttons on the back of the monitor allow you to easily navigate and manage the OSD menus while three user-defined profiles give even more personalization options. The Timer, FPS Counter and Dark Stabilizer let you manage everything from frame rates to brightness to shadow control.

### A brand you can rely on

As the No.1 monitor company worldwide\* we take pride in our unyielding commitment to quality and the utmost satisfaction of our customers.

Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty<sup>3</sup> period even if only one bright pixel is found.

Next business day shipping with Dell's Advanced Exchange Service<sup>2</sup> lets you get right back to your game.
